As 2019 begins, a historic number of new veterans are entering Congress. They represent strength, hope, and integrity. IAVA is hosting a historic unity event to welcome them to Washington to educate them about our priorities and to unite them for the future.

We’ll share IAVA’s policy priorities for 2019, unveil our latest annual Member Survey and bring together IAVA members from across America. This is a moment to show that as a community, we stand ready to transcend party and answer the call to serve and lead America.

It’s also a unique opportunity for all of Congress to meet IAVA, connect with our membership and show the public that veterans are the best investment they can make.
