

## 2020 SAV March

This Veterans Day we are attempting an ambitious virtual march across America. By committing to just one mile at a time, together we can virtually march 2,093 miles from coast to coast while making a BIG impact. The steps are really easy:

- 1** Decide veterans are a worthy investment.
- 2** Visit [SAVMarch.org](http://SAVMarch.org) to learn more.
- 3** Register at Charity Footprints, a third-party website, helping IAVA with logistics.
- 4** Pledge to raise \$100 for every mile you march on Veterans Day.
- 5** Recruit friends and family to help you meet your goal.
- 6** On November 11<sup>th</sup> grab your American Flags, put on your IAVA gear, and march your pledged miles with your loved ones in your neighborhood.
- 7** Share your pictures and video with IAVA to be featured on our social media channels.
